FIFTY SECONDS

WINE PAIRING

At 120 meters above ground, rarity is fundamental in the selection of our wines, each pairing at Fifty Seconds is a celebration of identity and terroir. This sensory journey spans centuries of history, where every bottle carries a moment suspended in time.

Today, we cross legendary terroirs and explore wines that transcend borders.

May the elegance of this moment endure, for experiences such as this are ephemeral and, by definition, incomparable.

Marc Pinto
Head Sommelier
